Rector Notes From Tres Dias #19

Women's Weekend

Women's #19 was an amazing weekend (I know - they definitely all are)! Our verse for the weekend was Hebrews 12:2 NIV, *Let us fix our eyes on Jesus, the Author and Perfector of our faith, who for the joy set before Him, endured the cross, scorning its shame and sat down at the right hand of the throne of God!*, and our theme was 'None But Jesus'.

We focused on the idea of our Christian walk being a marathon and not a sprint and how important it is to keep our eyes 'fixed on Jesus' or else risk stumbling into the hands of the enemy. And the enemy was pulling every trick possible to keep our team of ladies from serving because he knew that the Lord had big things in store. I have to commend the team of Women's #19 - I have rarely seen the level of commitment that they presented in the face of overwhelming obstacles - many of them very personally trying and last minute. I say 'thank you' to each one of them - and this is not meant to only include the ones who were able to actually serve the weekend - this 'thank you' is also for the ladies who put much love, time and energy into this weekend only to not be able to serve. You did serve and I thank each one of you for it! You all humbled me in a very profound way!

I believe that each Pescadore had a blessed time and they truly did offer a spirit of idealism, cooperation and love throughout the weekend! I pray that each one of you has found a special blessing in your fourth day!

Men's Weekend

Men's Weekend #19 was a great success. This success was not because of us, but because God is always faithful and once again, He did not let us down. God was present on the weekend and moved in the lives of both candidates and team members. There were fifteen candidates that were able to spend three days with their Lord and Savior. These people experienced God's grace and the presence of the Holy Spirit. I so appreciate both the men who served on the team and the men and women who prayed for our weekend. It was a great honor to be rector for Weekend #19. The best part was that God allowed me to be part of his plan for this short season.

The scripture of the weekend was Proverbs 4:23 *"Above all else, guard your heart for it is the wellspring of life."* The theme for the Weekend, was *"Guard Your Heart"*. I would like to challenge everyone that as we go about our days, to guard your heart against Satan's attacks and also to keep what God has put in your heart safe.
